Dear Friends,

Greetings in the wonderful name of our Lord and saviour Jesus Christ.

Very often we do not give credit where the efforts of teachers in Adventist Education have extended themselves to give to our children. Well, I am happy to sing the praises of those leaders, and for the children who have applied themselves to their studies.

I have just received the splendid news of the outstanding results gained by the Stanborough Park School. I understand that this is the BEST results in the history of the school.

Overall result: 100% of pupils achieved 5 or more A\*-C

14 subjects were offered.

9 subjects achieved 100% A\*-C

3 subjects achieved 90% and over

2 subjects achieved 86%

Subjects achieving 100% and over A\*-C were:

1. Maths
2. English Literature
3. Biology
4. Chemistry
- 5 Religious Studies
6. History
7. Art
8. Business Studies
9. Business and Communication Studies

Subjects achieving 90% and over A\*-C were:

1. 94% English Language
2. 92% Geography
3. 90% French

Subjects achieving 86% A\*-C were:

1. Physics
2. Spanish

These results are truly a blessing to the children and to the leadership of the School under Lorraine Dixon. Please join me in prayer for Adventist Education in this territory.

Lift Up The Trumpet was the unmistakable sound of the first Adventist Radio Broadcast back in the 1919 in the USA. Little did HMS Richards know that 98 years later, London will be the next city to hear the Voice of the Adventist prophecy proclaimed to its inhabitants. It is time that we lift our trumpets to proclaim the beautiful sound of our Advent Hope.

On the 23rd of August, the South England Conference was granted the license by OFCOM (Office of Communications) to operate a DAB Radio station in London and beyond. It is estimated that the coverage of the station will reach up to 12 million people living in London and surrounding areas and as far up as Cambridge, Oxford or down to Dover.

This is a pilot evangelistic project, where the South England Conference partners with the General Conference and the Adventist World Radio to reinvent the way we do mission and evangelism in the Western World. Please continue to pray for this project.

Pastor Simon Martin has asked me to share the following message with you;

'I am very happy to invite you to the 'Ignite and Excite' church planters conference over the weekend of Sept. 29- Oct 1. Please find attached a flyer, a letter from Pastor Brooks and an application form to this email. We are partnering with the BUC to make this a UK event, bringing together as many church planters as possible to inform, discuss, share and learn. The flyer will tell you more about the main speakers. I am hoping that you will be able to send at least one person from your church plant. Any that you know who would like to plant a church in the future are also welcome. This will be a great weekend. Book now to secure a place. Contact either Mavis Bramble or myself should you need more information.'
