

About the 2016 Offering for Newbold

Thank you for working with us to promote the 2016 BUC-wide offering for Newbold. Below you will find some supplementary information about the upcoming offering.

We realise that some of you may have changed churches in the last few weeks and we are grateful for anything you can do to get this information to the new Communication Officer.

Ways to Give

There are four methods of giving to Newbold, and we are hoping that you might help you to make your church members aware of the different ways they can give. They can give the money to your church for you to pass on to us or they can give directly to us.

Giving is simple and donations make up an important part of our annual income – we simply couldn't do what we do without you. Your donations, no matter how big or small, will help us to invest in our students and our campus.
