Scripture

Biblical Education

Christian Education

Nature

True Education

Adventist Education

*Learning from  
God's Lesson Books*

Experiences

*Presentations, Workshops, Action Planning addressing:*

- What is Adventist education?
- How does it compare to the world's education?
- How is world's education impacting on the spiritual lives of our children?
- How do we implement biblical Christian education today?
- What support is available for your local church?
- Can we have more Adventist schools?
- How does Adventist education advance the Church's mission?
