We are thankful to have concluded 2015, for the most part with an increase, though not quite according to the long term trend. This is partly due to the last Sabbath being 6 days from the year end, which means that the Tithe year is a little shorter. January will be a five week month with the benefit that this brings. We are grateful to God

Annualised Tithe Trends 2014 - 2015

We enter the new year with a budget, focussed on the energy behind our mission and values. 'Enthusiasm' - comes from the Greek 'entheos' which means 'inspired' or 'filled with the divine'. May God continue to fill us with energy to speak to the down-trodden, the hurting, the broken-hearted in the year to come.
