Dear Brothers and Sisters in Christ,

Re: Stanborough Secondary School Doors Open on Sunday 21st May 2017 at 11am -1pm.

I am delighted to be able to welcome you to an open day at Stanborough Secondary School on Sunday 21st May 2017. Pupils, Staff and Parents will be pleased to welcome you.

Stanborough Secondary School is renowned for its high standards of education, as evidenced over the years by our pupils performing well above the national average. We not only provide a very good academic education but we also place a lot of emphasis on preparing our pupils for life beyond Stanborough. We endeavour to develop well-rounded individuals with strong values socially and spiritually. Each of our pupils are expected to learn to play at least one musical instrument during their time in Stanborough School. Our consistently good performance is backed by the various inspection reports from Ofsted and the Independent School Inspectorate (ISI). Please feel free to visit our website: <http://www.spsch.org> for more information.

Our school is located on 40 acres of beautiful parkland and accommodates pupils who come from various parts of the UK as well as overseas pupils. There is ample space, making it a comfortable learning environment, whilst at the same time providing pupils with the opportunity to learn with others from different backgrounds and nationalities. You will be given a tour of the school during the day, which will give you the opportunity to experience the school first hand. You will also get the chance to meet some of our governors, staff, parents and pupils as well as some of our Alumni who will be pleased to answer any questions that you may have.

There is always an opportunity for you to help Stanborough Secondary School continue our mission in maintaining a productive educational environment.

We look forward to warmly welcoming you along with friends and families. I am sure you will find the day informative and delightful. In the meantime, if you have any questions, please do not hesitate to contact me on ldixon@spsch.org.

Do share this invitation with your church, as we are looking forward to meeting as many of you as possible. ALL ARE WELCOME! REFRESHMENTS WILL BE PROVIDED FOR ALL.

Please register your interest by contacting Ms. Stewart, Marketing Assistant: email qstewart@spsch.org or telephone 01923 673 268.

Yours sincerely,

**Mrs Lorraine Dixon
